Billing Horsepower Charge:	\$13.50	per horsepower per year, minimum of \$504 per year											
This charge is billed in five (5) equal amounts during the months of May - Sept.													
Energy Charge:	First 100 kWh per kW	\$0.19780 per kWh per month											
	All remaining kWh	\$0.06490 per kWh per month											
<p>REQUEST FOR IDLE SERVICE: All customers requesting status as an Idle Service, shall apply with the Cooperative by June 1st. For Idle Irrigation Services, the minimum shall be \$10.25 per installed HP per year.</p>													
<p>DETERMINATION OF HORSEPOWER FOR BILLING: The horsepower shall be determined by multiplying the highest registered demand from the previous season by a factor of 1.34, or by measuring the demand following a new installation of motor(s), but in no case shall the annual billing horsepower charge be less than twelve times the General Service 3-Phase Basic Charge.</p>													
<p>DETERMINATION OF kW FOR BILLING: The billing kW shall be the maximum kilowatt (kW) established by the consumer for any period of thirty (30) consecutive minutes during the month for which the bill is rendered as indicated or recorded on a demand meter and adjusted for power factor as provided below.</p>													
<p>POWER FACTOR ADJUSTMENT: The consumer agrees to maintain unity power factor as nearly as practicable. Billing demand units shall be adjusted for average power factors lower than ninety-five percent (95%), when the Cooperative deems necessary. Such adjustments will be made by increasing the measured demand one percent (1%) for each one percent (1%) by which the average power factor is less than ninety-five percent (95%) lagging.</p>													
<p>SERVICE PROVISIONS: All wiring, poles, lines and other electrical equipment beyond the metering point shall be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.</p>													
<p>TERMS OF PAYMENT: The above charges are net and become due and payable upon the receipt of the statement. A one and one-half percent (1½%) charge will be added to any outstanding balance due fifteen days from the date of mailing indicated on the billing statement.</p>
